☐ Law

☐ Other:

I want to give my time / A few hours a week :

☐ Provide technical support to people who want to recover their data without IT skills

☐ Do statistical analysis with files obtained from Uber, Tinder, Twitter...

☐ Become a coach in the collection and analysis of personal data

☐ Contribute to the creation of innovative economic and data governance models

I want to give my time / A few hours a month :

☐ Translate documents into English, French, Spanish, German, Arabic, etc.

☐ Produce videos on the retrieval and analysis of personal data

☐ Manage our social networks to keep the community alive

☐ Answer questions on our forum on recovery of personal data and lead the discussion

☐ Organise workshops and events with us on raising awareness of the issues of the data economy

☐ Produce a new podcast on the work of Uber drivers

☐ Carrying out arts projects with the community for educational and awareness-raising purposes

☐ Writing privacy content for a blog and newsletter

☐ Ensuring cash flow in support of our accounting department

PERSONALDATA.IO

I want to give my time / On an ad hoc basis :

☐ Seek funding for the sustainability of our projects

☐ Conducting research and writing scientific papers

☐ Perform algorithmic audits

☐ Analyze the evolution of application privacy policies

☐ Drafting technical, sociological, legal or other reports related to the protection of personal data

☐ Improve our legal procedures for data recovery (data protection expertise required)

☐ Feed our wiki on collecting data on online platforms

☐ Develop your new idea of personal data

I would like to contribute more specifically...

How did you hear about PersonalData.IO?
